FELLOW FILLING STATION FANATICS....

We recognize the Do-it-yourselfer by offering an extensive line of gas pump restoration parts. If you don't see the part you need, please call...we may be able to help. Our service extends beyond just selling parts. We are here to guide you through your restoration project, supplying only the highest quality parts at reasonable prices, and delivered on time.

The parts we offer in this catalog are used daily in our full time restoration shop. We can help you identify your pump, supply the correct parts, and even recommend color schemes and paint codes.

Sincerely,

Walt and Terry Koz
Past Gas Company

Ordering Information

WE ACCEPT Visa, Mastercard, Discover, check, cashier's check, and C.O.D. orders.

SHIPPING CHARGES will be calculated at time of shipping. It is not our intention to make money on shipping, but only to cover our costs. Florida residents add applicable state and county sales tax.

ALL PRICES are subject to change without notice.

PLEASE INSPECT your shipment upon receipt and report any loss or damage to us immediately.

RETURNS must be made within 30 days for full refund. Original invoice must accompany goods returned.

RESTORED PUMPS & PARTS are not for gasoline use. They are for display only.

NOTE we are not responsible for printing errors and human oversights!

Thank You for your business.

Where It All Began . . .

In 1905, Bowser salesman Jake D. Gumpper got the idea of labeling the Bowser outside pump cabinet a “Filling Station.” He had all the Bowser units thus labeled and the name stuck. Note that the cabinet is vented at the top. It could also be locked at night.
